## Associate kiosk at jcp home for schedule

JCPenney Associate Kiosk is a site that allows employees to log in using their UserID and password to access information about their employee, you are a part-time or a full-time employee. Whatever applies to you, you use the online portal to easily manage some of your work data, even on the comfort of your own home. The associate discount is a program that is only available to all JCPenney associate information portal where you choose the Associate Kiosk @ Home section. Your User ID consists of JCPenney's employee ID number plus industry-leading zeros you need to add to make it 9 digits in total. For the first login you need an 11 digit default password that includes the initials JCP in capital letters, 2 digits for your birth, 2 digits for your birth year, and the last 4 digits of your SSN. After this first login, the system immediately asks you to reset the password. The portal uses SSL security technology to make your login secure. This technology does this by encrypting the link between your browser and the server. Information from employees After a successful login in the Associate Kiosk it is possible to view work data, pay slips and available benefits. You view the hours worked and estimate your pay for the current period of pay. Schedules and daily statements can also be viewed on the system. Downloadable forms are also available if you want to request time-offs for holidays, sick days or personal issues. Since this information is available online, you can view it from virtually anywhere, through a computer connected to the Internet or even a device such as an ipad with the JCPenney Associate Kiosk installed. The JCPenney Associate's benefits discount online or in-store does not benefit anyone else who is not an employee or an eligible dependent on a company employee. Being able to shop online from the JCPenney is one of the few companies that offer benefits to part-time employees. A part-time employee is anyone who works less than 35 hours a week. These workers, like their full-time counterparts, have access to benefits such as serious illness and also life insurance. Health benefits (including medical, vision and dental), 401K plan, paid vacations and time-offs are part of the benefits program that includes full-time JCPenney participate in.
